Riordan Grain Services announcement regarding the Edenhope Grain Storage

Riordan Grain Services is pleased to announce we have acquired and will be solely managing the Edenhope Grain Storage site for the 2018/19 harvest and onwards. The site is located at 58 Cameron and Lampard Road, Charam and was formally operated by Emerald Grain.

For this harvest receival access to the site will be limited to the silos and small shed to provide around 15,000mt of grain storage. Access to the larger sheds is pending council approvals.

Segregations are to be based around receivals for all grades of Barley, Wheat and Non-GMO Canola.

If you require any further details or information regarding the site, please contact Leigh Burgess on mobile 0409 103 336. Please also contact Leigh if you are local to the area and are looking for harvest and/or post-harvest work at the site.

If you require any further information regarding Riordan Grain please feel free to contact Mark Lewis on mobile 0438 103 312.
